Landing Requirements to Sri Lanka for Tourists/Foreign Passport Holders/Sri Lankans

1. As per the health guidelines issued on 18th April 2022 by the Director General of Health Services, fully Vaccinated travellers do not need to take pre-boarding and on arrival (day 01) Covid-19 test (PCR or Rapid Antigen test) before travelling to Sri Lanka.

If the “required doses” of the COVID-19 vaccination are completed and depart from abroad two weeks after completion of vaccination, they will be considered as “Fully Vaccinated”. All travellers who have obtained COVID-19 vaccines should carry a proof of vaccination in English throughout their travel.

2. All Tourist visa and Foreign Passport Holders (excluding Diplomatic passport holders and family) require mandatory Sri Lanka COVID-19 Insurance coverage at a cost of USD 12 which has a cover of USD 75,000 for one month.

To be purchased online <https://portal.pionline.lk/covidinsurance/> or on arrival.

The COVID 19 Insurance coverage is not required to board an aircraft but upon landing in Sri Lanka, he/she must purchase the policy prior to leaving the respective airport in Sri Lanka.

3. Sri Lankan passport holders do not require the COVID-19 Insurance coverage when traveling to Sri Lanka.

4. It is not required to submit Health Declaration Forms.

5. Dual citizens are considered as Sri Lankans.
